"DOG ORDINANCE" FOR CITY IS PLANNED

CLOSE SHAVE — Daniel H. Maxberry, age 20, of Louisville, student at Murray State University residing at 1611 West Main Street, escaped death this morning at 1:42 when he lost control of his 1968 GTO two door hardtop on Miller Avenue. The Murray Police Department said Maxberry spun around, cut a utility pole, and the pole then fell through the windshield, through the seat, and on through the floor

of the automobile. Maxberry received lacerations and head injuries and was admitted to the Murray-Calloway County Hospital where he is listed in fair condition this morning by the hospital authorities. The driver has been charged with driving while intoxicated by the Murray Police, according to the wreck report.

Approval On Rental Units Is Given

Preceding the City Council meeting last night, two public hearings were held. One was held at 7:00 p.m. on the desirability of adding fifty additional low rent housing units for the elderly. E. W. Riley, vice-chairman of the Murray Municipal Housing Commission and L. D. Miller, Executive Director of the Commission, were present for the hearing. No one spoke in opposition to the added public housing.

Miller told the council that the Commission now operates 142 low rent units with 80 of them for the elderly. He said he has a backlog of approximately 50 elderly persons desiring units.

Only one vacancy in the elderly units has occurred since 1965. Miller reviewed the qualifications for living in the low rent units and indicated that the new units would be constructed.

State Employment Exams To Be Held Here On July 26

FRANKFORT, Ky., July 8 — Commissioner Ralph Howe announced today the Personnel Department is actively recruiting new talent for positions in Kentucky State Government. Many positions in state government require an applicant to take a Merit Examination in order to qualify for employment.

Examinations for state employment are scheduled for July 26, 1969, at Murray.

A person seeking a job must have his application on file in the Personnel Office 10 days prior to the examination date. Applications for employment and complete information concerning all examinations, including minimum qualification requirements, may be obtained from local Kentucky Employment Service Offices or the Department of Personnel in Frankfort.

Completed applications should be forwarded to the Department of Personnel, Division of Recruitment and Examinations, New Capitol Annex Building, Frankfort 40601. A notice announcing the time and place of the examinations will be mailed to the qualified applicants.

Sample Ordinance Will Be Discussed At Next Meeting

A "Dog Ordinance" for the City of Murray will be proposed at the next meeting of the Murray City Council. A long discussion last night indicated that it was the consensus of the

council that such an ordinance was needed for the city and that the ordinance now in effect in Mayfield was about what was needed for Murray.

Buddy Hewitt, Chairman of the Special Problems Committee of the Council made a report on an investigation conducted by him and Mayor Holmes Ellis. Hewitt said that the manner in which the city of Mayfield handled dogs within the city seemed to be the most logical way for Murray.

He told the council that in Mayfield stray dogs are picked up by a person hired for this purpose. They are taken to a local veterinarian and housed for seven days. If someone desires to pick up a dog at the veterinarian's clinic, the dog is given a rabies shot. The person must pay \$2.00 for the shot and the licensing fee, and the animal is given free.

If no one claims a dog within seven days, the dog is then "put to sleep" and disposed of.

In Mayfield the city pays the veterinarian \$2.00 per day for boarding the dog, and an additional \$2.00 in case the dog must be disposed of. The person who is hired to pick up stray dogs receives a monthly salary.

Hewitt said that the two local veterinarians have indicated they will board animals at the rate of \$1.50 per day for four days with the rabies shot costing \$2.00.

Disposal of an animal will cost \$2.00.

Hewitt said that the ordinance would be financed partially by a licensing fee, for those animals obtained from the veterinarian, of \$2.00 for male animals and \$3.00 for female dogs. A person getting a dog from the veterinarian would pay this fee plus the cost of the rabies shot.

Included in the ordinance will be regulations concerning the control of dogs within the city. The ordinance will make it mandatory that dogs either be on leash, penned up, kept in the house or otherwise in constant control of the owner, both day and night. Any dog running loose on the streets will be picked up and taken to the veterinarian. A person will be able to claim his own dog at the veterinarian, if it is picked up, by paying for the rabies shot and the licensing fee.

The ordinance is expected to state that dogs must remain on the property of its owner, or in control of the person when leaving the property.

Violation of the ordinance is expected to cost an individual from \$2.00 to \$20.00.

When the veterinarian notes that a dog picked up is obviously a fine dog, then he will use

Letter To Editor

Dear Mr. Williams:

Quite possibly you know all about this. If not, you, and some of your readers might be interested. A shower of meteorite fragments fell to earth a few miles east of Murray the night of Sept. 20th, 1950. Most of the pieces that were found came from "around Wildcat Creek on Kentucky Lake. The biggest one landed only 26 feet from the home of Mr. Ernest Barnett. A smaller one punctured the roof of the Wilkinson home. Large and small chunks were picked up over an area of at least 3 square miles. It was thought at the time that the biggest mass might have landed south of Pottersville, but if so, it was never recovered.

All this is ancient history. I write now to report the fact that a paper on the composition of the "Murray meteorite" won a \$250 prize for being one of the two best student papers on meteorites written in 1966-67. The paper was written by Donald P. Elston while a student at the University of Arizona. Mr. Elston's paper has to do mainly with the structure and composition of the Murray meteorite could have formed in space.

It would be very interesting to know whether additional pieces of this meteorite have been found in recent years. The bigger chunks probably buried themselves in the ground but might be turned up by plowing or cultivating. They were black when they fell but I should guess that by this time they would be quite rusty owing to the oxidation of included small particles of iron.

I for one would be very glad to check on any fragments of the Murray meteorite or any other meteorite which might turn up in Calloway County. These things have been mine main research interest for the past several years, and I have been paying \$5 per pound for them. Rusty, heavy rocks which will attract a magnet suspended by a short length of string are likely to be meteorites.

Very sincerely yours,
William F. Read

TEEN CENTER

The Teen Center at the First United Methodist Church will be open Saturday, July 12, from 8 until 11 p.m. for youths ages 13 through 19. Admission will be 25 cents.

FOUR CITED

Four persons were cited by the Murray Police Department on Thursday. They were two for driving while intoxicated, one for speeding, and one for disregarding a stop sign.

Three Injured In Accident At Almo

Three persons were injured in a one car accident at Almo last night about 11 o'clock.

Dexter Route One, age 19, Gloria Childress, Dexter, age 16, and Dennis Brown, Dexter Route One, age 20.

Officials at the Murray-Calloway County Hospital said Tidwell had lacerations, was admitted, and later released. Miss Childress had lacerations and Mr. Brown had contusions, and they were both treated and released, according to hospital officials.

The three injured persons were brought to the local hospital by a Max H. Churchill Funeral Home ambulance. Reports are that Tidwell was the driver of a convertible that was going east on a street in Almo, failed to make a turn, and hit a light pole by the home of Otto Zetsche, breaking it.

Tidwell is reported to be AWOL from Fort Rucker, Ala., and is now in the Calloway County Jail, according to the office of County Judge Hall McCuiston.

Funeral Is Today For H. V. Hopkins

Oaks Club Plans Ladies Luncheon

The ladies day luncheon will be served at the Oaks Country Club on Wednesday, July 16, at 12:15 p.m.

For reservations call the hostess, Mrs. James C. White at 753-5121 or the co-hostess, Mrs. Paul Dailey, Jr., at 753-8702 by noon on Monday, July 14.

Others serving as hostesses will be Frances McKeel, Jessie Cook, Sheila Grogan, Dorothy Harris, Mary Humphreys, Bonnie Story, Dulcie Douglas, Sue Smith, Laura Tessenier, Onelda White, and Margaret Crawford.

ANTIQUE BOOTH

All persons desiring to place bowls, platters, plates and dolls in the antique booth at the Calloway County Fair should bring the proper stand for the item because of a change in the shelf arrangement from last year. Registration at the antique booth will take place between 8 a.m. and noon on Monday morning.

FALSE ALARM

The Murray Fire Department answered a call last night at 8:15 p.m. to 1319 Olive Boulevard. Two trucks answered the call which turned out to be a false alarm.

Seen & Heard Around Murray

Fire Chief Flavil Robertson is on vacation.

Incidentally thanks to the City Firemen for the quick work on the fire in the alley next to us. Paper and stuff was burning and they put it out real fast.

The new parking meters on the square register one hour for a nickel. In case you do not have a nickel, a dime will do. That is the meaning of the phrase on the meter than it will take dimes for your convenience. The meter will take pennies, slugs, and washers, but will not register any time for you. The idea is that if you are in a hurry, and don't have a nickel, the meter will take a dime. Of course you can always go and get the right change.

The proposed dog ordinance in the making by the City Council may cause some talk, but few people can honestly say it is right that dogs should roam loose in the streets.

Just suppose these loose dogs

Hazel Water And Sewer Systems Get \$180,000 FHA Loan

The City of Hazel, Kentucky Thursday received a loan from the Farmers Home Administration in the amount of \$180,000.00 to refinance and improve the city's water and sewer systems.

This loan was announced by John H. Burris, State Director, Farmers Home Administration, Lexington, Kentucky. Funds will be used to refinance bonded indebtedness on the sewer system and to build a new water filtration plant.

Refinancing is necessary due to bankruptcy of the original bonding agency and the account is now held in receivership.

The new filtration plant will replace the existing plant which has been declared unsatisfactory by the Kentucky Department of Health. When completed, the new system will furnish an adequate sewer system and an ample supply of clean, fresh, sanitary water to 232 families and business in the city.

Howard O. Paschall, County

Supervisor, Farmers Home Administration office in Mayfield, through which the loan was negotiated, said, "This is one of several water and sewer systems in this area financed by Farmers Home Administration. Other systems include Sedalia and Wingo, both now in operation; Consumers, which parallels Route 121 from Mayfield to Graves-Calloway County line and into Browns Grove area; West Marshall County system which will be in operation in about 30 days; Jonathan Creek, Murray Number 3 and South Graves County, which have been approved for funding pending completion of plans."

Planning and organization for the Hazel Project has been by members of the Board of Trustees for the City of Hazel who are Hoyt Like, Chairman; Hoyt McClure, Henry Hudson and James H. Miller, members; Mr. Nat Ryan Hughes, Hughes and Gregory Law Firm, Murray Kentucky, Attorney; and Jones and Florence, Paducah, Kentucky, Consulting Engineers.

Howard O. Paschall is shown here presenting a loan of \$180,000 to Hoyt Like at Hazel. The loan is for the purpose of refinancing and improving the city's water and sewer system.

NEW YORK UPI — There are people who spend a good part of their lives daydreaming about that time they can say those two beautiful words, "I quit!"

So what happens? When the time comes they finally are able to say it, they no longer wish to. Any number of things run through a man's mind at retirement time. Not so much when he stands up there and makes his announcement as when he sits down, works the whole thing in the mind and decides this is it, the end of the line, period, paragraph, end.

Strong psychological forces usually accompany such a decision and they frequently cause considerable inner conflict. That's why you'll see so many ath-

Hank Aaron Is Named To 15th All-Star Team

NEW YORK UPI — Hank Aaron of the Atlanta Braves was named to his 15th All-Star assignment today in the National League's bid to counter the home-run punch assembled by the American League for the July 22 mid-season classic in Washington.

The 35-year-old Aaron, No. 5 on the all-time homer list with 533, drew 295 votes from players and coaches, one short of the top 296 collected by Willie McCovey of San Francisco at first base.

Atlanta and Chicago each had two representatives named to the starting lineup as the NL goes after its seventh straight All-Star victory.

Felix Millan of the Braves beat out Glenn Beckert of Chicago, 137-110, at second base. The Cubs have an infield entry of Don Kessinger at shortstop and Ron Santo at third base.

Rounding out the starting outfield are Matty Alou of Pittsburgh 232 votes and Cleon Jones of New York 152. Johnny Bench of Cincinnati was selected as catcher.

Red Schoendienst, St. Louis Cardinal manager and hero of the NL victory in 1950 with a 14th inning home run, will skipper the squad. He picks the pitchers and reserves to round out the 28-man team.

McCovey, Aaron, Santo and Kessinger are repeaters from 1968.

Missing are Jerry Grote of New York, Tommy Helms and Pete Rose of Cincinnati and Curt Flood of St. Louis.

Also overlooked were Pittsburgh's Roberto Clemente, Willie Stargill, the NL batting leader, and Willie Mays of San Francisco 49.

VETERAN TRADED

ATLANTA UPI — The Atlanta Falcons have traded veteran end Ray Ogden to the Chicago Bears in return for linebacker Jim Purnell and rookie defensive back Rudy Redmond.

Ogden was second-leading receiver for the Falcons last season with 25 catches. Purnell has been a Bear regular three of the past five years.

letes "retire" and then come back again.

Surprised Everybody

Not the Hawk Harrelsons, Don Clendenons or Maury Wills because they "retired" and "un-retired" in less time than it takes to settle a decent chess match but rather men like James Jeffries, Bronco Nagurski, Earle Sands and Joe Louis, all of whom quit as if they meant it and then surprised everybody by coming back to compete again.

Joe Namath won't surprise to many people if he plays football again but Don Meredith is an entirely different story.

Meredith is only 31 and certainly has a few more playing years left, but he doesn't figure to use them. The Dallas Cowboys aren't going to hold their breath waiting. Not only because Meredith seems to have a substantial future off the field and enough money to go with that, but much more important, because he seems to have lost his desire to play football at all.

Landry Has Insight

Meredith's coach, Tom Landry, is the possessor of great insight into people. Landry, in his way, works the same kind of miracles with football players that Vince Lombardi does. He and Meredith always have had an understanding between them and when the Cowboy quarterback first told him about his decision to quit Landry felt he could cause him to reconsider.

There was, of course, Meredith's fine contract, which had two more years to go at \$100,000 a year, but Landry is a wise man. He didn't talk about that. Instead, he talked to Meredith about other things, things that only he and Meredith could talk about the way they did, but there came a point where Tom Landry knew there was no use talking anymore.

"I was surprised and tried to talk him out of it," the Cowboys' coach said, "but if you lose your desire to play, you shouldn't play."

That's the whole story of Don Meredith's retirement in a nutshell.

He still had some of that desire left following last January's Playoff Bowl in Miami, where he hadn't looked too good against the Minnesota Vikings and where Landry had gone to his backup quarterback, Craig Morton, early in the contest.

Made Poor Showing

Meredith also had looked bad against Cleveland in the Eastern Division title contest not too long before that and now after his poor showing in the Playoff Bowl there were some natural questions about next season, the one they'll be getting ready for next week.

He was weary from the long season at the time but gave no evidence he had lost his desire to play.

Meredith pocketed his check for that contest, said so long to Lance Rentzel and some of his other Dallas teammates and then took off after signing an autograph in the dressing room for a youngster.

Nothing much was heard from him again until last Saturday. Then came the announcement.

Don Meredith played it the right way Saturday. He never was able to lead the Cowboys to a title, but he said he had enough. It didn't sound like any mistake.

King Kovaz To Be At Fair Tuesday

From a clown with nerves of steel to an announcer with machine-gun delivery, the new 1969 King Kovaz Auto Daredevils performance is a blend of a variety of skills.

The show, which will be seen at Calloway County Fairgrounds on Tuesday, July 15, requires more than drivers to make it the national attraction which it has become.

"Whether it's the ramp men on the ground on whom the drivers must depend to execute their stunts with the least possible danger," says President and General Manager King Kovaz, "or whether it's the drivers themselves in the fast-moving automobiles. All of them round out our one-hour and forty-five minute program into a smooth operation."

Doug Driscoll, who comes from Hollywood, California, provides the comic relief via unpredictable antics. But despite his erratic actions and baggy pants, he is a top stunt driver. He is also a steel-nerved performer allowing swift-moving autos to come literally within mere fractions of an inch of running him down.

Billy Little is a veteran of 18 years in the Thrill Show business, specializes in the tricky hell driving, the dangerous reverse spin, the only man to hold a car at full speed up on two wheels the length of the grandstand, and is featured in the thrilling leap of a Dodge car or pickup truck 70 feet through space from ramp to ramp. Many of his escapes from spectacular wrecks appear miraculous.

Ken May, an experienced radio and television announcer, is probably the most important man to the fans. His rapid-fire delivery and extensive knowledge of stunt driving maneuvers, keep the audience aware of the fast-moving program. Ken, in addition to his duties as announcer, is Publicity Director of the show.

King Kovaz, from Ft. Lauderdale, Florida, is a veteran stunt man with 20 years as daredevil and clown and is the President and General Manager of the King Kovaz Auto Daredevils. Kovaz is the co-ordinator of the exhibition-keeping the pace at a thrill-a-minute-speed despite the complicated preparations which are needed for the 28 individual maneuvers. While one act is preparing to go on, another is getting equipment ready and a third is actually doing the performance. Kovaz is also responsible for the scheduling of the exhibitions and transportation of all the equipment from place to place.

Other drivers who make up this great show are, Ken Berkshire, the Dive Bomber expert, Bobby Hill, the Human Battering Ram, Car Roll-over expert and he also does the dangerous Slide for Life through a pool of flaming gasoline; Don Chadwick well known Hollywood stunt man who has doubled for stars such as James Cagney, George Raft, and many other famous movie stars.

For the Mets Barber pitched his first game giving up two hits. He gave up a run in the fifth on two errors, but was saved from further trouble by a double play.

Hughes and Rains struck out fourteen Orioles for the Astros and handed them their first loss. They made four runs in the fifth on four walks, two hits, and errors. For the Orioles Jackson made a good throw to the plate. Pitcher retired Dick at third to shorten the Astros rally.

Merchants Play Here Saturday

The Murray Merchants Baseball Club, current leader of the Twin-State league, will take on the Nolansville Merchants of the Nashville Metropolitan league in a doubleheader Saturday at 1:00 at "Reagan Field" on the M.S.U. campus. Nolansville is currently in third place in the eight team Metro-league, which is considered one of the best in Tennessee. Murray will take an 8-2 record into the doubleheader which includes a sweep of two games over Nolansville in Nashville. Probable pitchers for Murray are former M. S. U. ace Don Lee and hard throwing Danny Maxberry. Going into the game the leading hitter for Murray are catcher Wally Andzel .555, rightfielder Don Funnemam .518, and third baseman Gary Crum .428. There will be no admission charge.

Murray had a league game rained out last Sunday at Eddyville. They will try to maintain their first place position in a league game Sunday at Golconda, Illinois. Murray beat them earlier 5-2.

ON DISABLED LIST

OAKLAND UPI — Outfielder Tommy Reynolds was placed on the disabled list Wednesday by Oakland and third baseman Bill McNulty was recalled from Birmingham of the Southern League as his replacement on the Athletics' roster.

CLARKE RETIRES

NIAGARA FALLS, N.Y. UPI — Hagood Clarke, a five-year veteran of the Buffalo Bills punt return and defensive teams, announced his retirement Thursday. Clarke returned one punt a record 82 yards for a touchdown against the New York Jets on Nov. 3, 1965.

Steve Cook Has Lead In Public Links

ERIE, Pa. UPI — Fidgety Steve Cook stopped biting his fingernails a couple of months ago because "I just thought it was a ridiculous habit."

"I'm a nervous person," explained the 20-year-old Cook, who has paced, snapped his fingers, and hummed his way to a three-stroke lead at the halfway point of the National Public Links golf tournament.

Cook shot a 73 Thursday to give him an even-par 142 after two rounds.

Art Fujita of Honolulu and Fred Lufkin of Spokane, Wash., were tied for second place with 148s. Close behind with 146s were Gene Towry of Austin, Tex., the defending champion, and 17-year-old Larry Zee of Tonawanda, N.Y.

Neither of the two players closest to Cook after the first round were able to advance on him. Bob Blomberg, a hip swinger from Alameda, Calif., lost his touch off the tees and skied to a 77 for a 147 total while real estate salesman Elwin Fanning of Seattle, Wash., ballooned all the way to 80 and dropped nine shots off the pace.

Cook also led a team representing Pasadena, Calif., to a three-stroke victory over Wichita, Kan. in the race for the team title. Pasadena's three-man total for 36 holes was 447, while Wichita had 450 and Phoenix, Ariz., 451. Erie was fourth and Cleveland fifth.

Irishman Sets Course Record In British Open

LYTHAM ST. ANNES, England UPI — Veteran Irishman Christy O'Connor displayed putting magic Thursday to crack the course record here and challenge for the lead in the British Open golf championship.

The 39-year-old O'Connor holed out from 20 feet on the 18th green to finish the second round of the 72-hole championship with a record 65, and get within one stroke of leader Bob Charles at 136.

Seventy-three players made the cutoff mark of 151 for today's third round, including 11 of the 13 American challengers, and in all 26 overseas players will be in action. Rich Bassett, of upper Montclair, N.J., was the only American eliminated.

Australia has four survivors, South Africa and Spain three each and New Zealand, Argentina, Belgium, France and Holland all have one representative. Leading the American challenge are former and current U.S. Open champion Billy Casper, with a two-under-par 140, and Orville Moody who is at 141. Between them and the leading pair are young Englishmen Tony Jacklin, who now plays out of the Sea Island club, Ga., and Alex Caygill. Both have four-under-par totals of 138.

SALOW SUSPENDED

NEW YORK UPI — The New York State Athletic Commission Thursday suspended Morris "Mushy" Salow, manager of light heavyweight champion Bob Foster, "in the best interest of boxing." The commission lifted Salow's New York manager's and second's licenses after he failed to heed four requests for his appearance at hearings.

SMITH SIGNED

CINCINNATI UPI — The Cincinnati Bengals signed Olympic 200-meter record holder Tommie Smith of San Jose State to an American Football League contract Thursday. Coach Paul Brown said despite Smith's lack of football experience the club was hopeful he "can learn the moves" to play in the pro ranks.

The Boston Red Sox won the first world series of the modern era, defeating the Pittsburgh Pirates five games to three.

When Roger Maris hit 61 homers in 1961, 19 came off right-handed pitchers and only 12 off southpaws.

BASEBALL ROUNDUP

National League

By JOE CARNICELLI
UPI Sports Writer

Willie McCovey, Hank Aaron, Ron Santo and Johnny Bench were named to the National League's All-Star team today and if any justification is needed, they showed why Thursday.

McCovey, chosen at first base, doubled in two runs as the San Francisco Giants beat the Los Angeles Dodgers, 3-0. Aaron, the right fielder, also doubled in two runs as the Atlanta Braves edged the San Diego Padres, 3-1. Santo, the third baseman, had a two-run homer to cap a five-run fifth inning in the Chicago Cubs' 6-2 victory over the New York Mets and Bench, the catcher, singled in two runs in the 10th inning to lead the Cincinnati Reds to a 5-4 victory over the Houston Astros.

In other scheduled games, Pittsburgh shaded Montreal, 2-1, in 11 innings and St. Louis ripped Philadelphia 9-3.

Double In Third Inning

McCovey's double came in the third inning after Ron Hunt reached base on a fielder's choice and Willie Mays singled to help Juan Marichal, who pitched a three-hitter, record his 12th victory against three losses.

Aaron's blow came after Felipe Alou's infield hit and a walk and helped the Braves move to within a half game of the division-leading Dodgers in the West. Alou singled in the third run in the seventh.

Santo's homer came in a wild rally in which the Mets committed two costly errors. Jim Qualls doubled and was safe at second when shortstop Al Weis dropped a throw during a rundown after Bill Hands' attempted sacrifice. Don Kessinger singled in Qualls, Glenn Beckert beat out a bunt and Billy Williams drove in Hands with a sacrifice fly. Beckert broke for second on the play and the throw was mishandled by Ken Boswell, allowing Kessinger to score. Santo then hit his 17th homer.

Hands allowed only three hits, one a leadoff homer to Tommie Agee in the first, as the Cubs stretched their Eastern Division lead to four games over the second-place Mets.

Set Stage For Hit

Tony Perez walked and Lee May doubled to set the stage for Bench's hit in the Reds' victory, their fifth in a row. Wayne Granger pitched out of a none out bases loaded jam in the ninth and struck out Cesar Geronimo with the bases loaded in the 11th to gain the victory. Manny Sanguillen's bases loaded single with one out in the 11th gave the Pirates their victory over the Expos. The Pirates loaded the bases on a walk, an error and another walk before Sanguillen singled off loser Dan McGinn. Julian Javier drove in four.

runs with a double and a two-run homer to power the Cardinals over the Phillies. Javier doubled in the fourth after Vada Pinson walked and Joe Torre doubled and he hit his fifth homer of the season in the sixth following Tim McCarver's single.

American League

Frank Robinson subscribes to the general club feeling that there are no individual stars on the Baltimore Orioles.

The Baltimore slugger hit his 20th homer Thursday night in the first inning and drove in the winning run with a single in the ninth to beat the Boston Red Sox, 5-4, and increase the Orioles' Eastern Division lead to 13 games.

Robinson pointed to several outstanding efforts by his Baltimore teammates. There was Paul Blair's 14th stolen base in 16 attempts that preceded Frank's game-winning hit. There was Jim Hardin's first complete game since May 4 to even his record at 4-4. There was Andy Etchebarren's seventh-inning homer which broke a 3-3 tie.

Detroit lost ground when Cleveland beat the Tigers 7-5, in 11 innings. Oakland routed Chicago, 12-2 and Minnesota edged Kansas City, 6-5. The only other scheduled game, California at Seattle, was rained out.

Johnny Horton struck a two-out bases-loaded single that beat Detroit and made reliever Tom Timmerman's first major league decision a losing one. Ken Harrelson also drove in two runs for Cleveland with his 14th homer. Norm Cash and Jim Price connected for the Tigers.

Oakland staged its biggest rally of the season with an eight-run fourth inning against Chicago, capped by All-Star third baseman Sal Bando's three-run homer. Five singles and a double accounted for the other five runs as John Odom recorded his 12th victory. Chicago was limited to three hits, including homers by Luis Aparicio and Buddy Bradford.

Minnesota received heavy batting support for the early innings and then had to hang on to edge Kansas City. Rod Laver tripled and doubled in the

Sinking Springs Women Attend The YWA Conference

Five persons from the Sinking Springs Baptist Church attended the Young Woman's Association Conference held at Boone Lodge at Cedarsville on June 27-29.

Attending were Miss Mary Paschall and Miss Wanda Billington, YWA members, Mrs. Jerry Bowden and Mrs. Gerald Cooper, leaders, and Mrs. Terry Sills, wife of the pastor of the church.

"Preparation For Living In The Now" was the theme conference which opened at 7:15 on Friday morning with the morning watch in the Ferguson Jagel Courtyard.

At 8:45 a US-2 missionary spoke on "Missions And Me" and showed films. A missionary to Arizona Indians spoke and showed films also. Lunch was served in the dining room overlooking Dragon Lake.

The banquet was held at 5:30 p.m. with theme being "Desert Shadows". Don Blaylock, student director at Morehead, directed fun time.

Mrs. Jean Baugh, missionary to Tanzania, East Africa, was speaker at the banquet. Conferences were held before the campfire led by RA staffers and the devotion at 11 p.m.

On Sunday morning Dr. G. Allen West directed the Bible study on "Knowledge For Living In The Now". Personal prayers were held at 9:30 a.m. and at 10:45 worship was held led by Frank Baugh, missionary to Tanzania, East Africa. "Inspiration For Living In The Now" was the theme.

The group expressed appreciation for being able to attend the conference and said they were looking forward to the convention to be held in Madisonville November 7 and 8.

Should she live alone at 17?

By Abigail Van Buren

DEAR ABBY: My husband and I are going 'round and 'round because our 17-year-old daughter has said that after she graduates from high school she wants to get a job and move into an apartment with another girl.

My husband hits the ceiling whenever she mentions it. He thinks that girls want to live alone so they can entertain boyfriends without parental supervision, stay up until all hours, and go wild in general.

I don't feel that way. I think our daughter has good sense, good moral values, and her choice of friends has always been to her credit. I think parents can teach their children only so much. The rest they have to learn by standing on their own two feet.

How do you feel about this, Abby?

MOTHER IN THE MIDDLE

DEAR MOTHER: I think you are right. By the time a girl graduates from high school, the twig is bent the way it will grow, and from the sound of your letter, I would say your daughter will not disappoint you.

DEAR ABBY: Is the bridegroom responsible for paying the doctor bills for his bride-to-be just because she wanted a physical examination and contraceptive pills?

This happened to my son and I say he was not responsible for any bills his wife-to-be ran up. Am I right or not? If I'm wrong I'll apologize to his wife. NEW IN-LAW

DEAR NEW: Technically, the bridegroom is not responsible for bills his bride-to-be "ran up" before their marriage, but if your son willingly paid the bill and you made an issue of it, apologize.

DEAR ABBY: My husband and I have been married 43 years. We live modestly and have never been big spenders. We have a comfortable income and bank account and my husband is an honest and decent man, but here is my problem:

He hides money all over the house. I find it when housecleaning.

Last month I found a surprising amount in the cellar. I asked him why. He never answered. I tried to get him to put that money in the bank as the bills were already getting moldy, but he wouldn't do it. He just took them to hide somewhere else.

Today I found some more money under the sofa cushions, and I am feeling very depressed.

Please don't write me a personal letter as my husband gets the mail first since he is now retired. Thank you. WORRIED

DEAR WORRIED: Get your husband to a doctor for a "routine" checkup as soon as possible. Be sure to tell the doctor (quietly in advance) what you have told me. Your husband needs help.

DEAR ABBY: I think you were a bit negative with "HATES SAILING." A seaisick, frightened wife is no fun for a husband who loves to sail, but neither does she pose insurmountable problems.

Having solved that problem, may I offer this advice: I had to woo my wife in sailing, slowly, and carefully, and here are the steps.

1. Use seasickness pills—but sparingly, as they can make one drowsy.

2. Short sails at first.

3. Give her something to do so she won't be bored. [Coiling ropes, or managing one of the sails. Even swabbing the deck. Women love to clean!]

4. No bickering, arguing, or squabbling on board. [This induces seasickness.]

5. Teach her to sail. If you make her feel welcome and useful, she's be much more fun than the most glamorous passenger.

I don't say this will work for everyone, but it worked for me.

Regards,
"LOVES SAILING—WIFE, TOO"

CONFIDENTIAL TO SCORPIO: I have a seven-letter, one word "solution" to your problem. FORGIVE! For forgiveness is the fragrance of a violet on the heel of the one who crushed it.

Miss Wanda Morris Exchanges Vows With Larry David Wright In Ceremony At The Green Plain Church Of Christ

Mr. and Mrs. Larry David Wright

(Brisendine Photo)

Miss Wanda Gail Morris, daughter of Mr. and Mrs. Brent Morris, of Murray, and Larry David Wright, son of Mr. and Mrs. David Wright of Murray, were united in marriage, Friday, June 6, at six-thirty o'clock in the evening at the Green Plain Church of Christ, with Bro. Dean Crutchfield performing the double-ring ceremony.

The church was beautifully decorated for the occasion with the large wrought iron arch entwined with bridal wreaths. Baskets of gladioli were placed on both sides of the arch. Two candelabra with seven candles each, palm plants, and baskets of gladioli completed the decorations. White satin bows with greenery marked the family pews.

A program of recorded music was presented. "Because", "Oh Perfect Love", and "The Wedding Prayer" were the selections chosen. The traditional wedding processional and recessional were presented.

The bride was escorted to the altar and given in marriage by her father. She wore a formal gown of white silk organza over peau de soie. The A-line dress was fashioned with an empire waist line. The long full-sleeves had fourteen tiny covered satin buttons on the wide lace cuffs. Three lace flowers were placed on the bodice accented with pearls and iridescent. Two rows of Gallion lace was placed down the front of the A-line skirt, circling around the hem line of the dress. Twenty-two tiny satin buttons were placed on the center back of the dress to the point of attachment of a large silk organza bow. The streamers of the bow flowed gracefully as the bride descended the aisle. The bride designed her gown and her grandmother, Mrs. Macon White fashioned it.

Her shoulder length veil of silk illusion was secured to a satin rose encrusted with iridescent and tiny satin leaves. The bride's only jewelry was a tiny heart-shaped diamond pendant, a gift of the groom.

She carried a formal cascade bouquet of white carnations with a beautiful catalina orchid in the center. It was accented with ivy.

Mrs. Pamela Hoke, friend of the bride, was matron of honor. She wore a floor-length gown of pink voile fashioned after the bride's dress. She carried a cluster bouquet of pink carnations with pink satin streamers tied in love-knots. She wore a bow of pink voile in her hair.

Bridesmaids were Mrs. Carol Hays and Miss Phyllis Pool. Their dresses were identical to the honor attendant except being orchid in color. They also had orchid voile bows in their hair. Their bouquets were a cluster of orchid star burst pom

poms, with satin streamers. All the attendants wore white gold pendants with their initials engraved, which were gifts from the bride.

Mr. Wright chose Tommy Hoke to be his best man. Groomsman and ushers were the bride's cousin, Kenny Stubbfield and Marc Hays, who lighted the candles before the ceremony.

For her daughter's wedding, Mrs. Morris chose to wear a pink knit dress with white accessories. Her whimsy was of blending shades of pink. Her corsage was of white carnations.

Mrs. Wright, the groom's mother, wore a long sleeved blue and white brocaded dress with matching accessories. Her corsage was also of white carnations.

The register table was covered with pink velveteen. An arrangement of white carnations with white wedding bells accenting the flowers, was placed on the table. Miss Ann Miller presided at the register table. Her corsage was of white carnations.

For her wedding trip the bride wore a yellow linen dress. She wore the orchid from her bridal bouquet as her corsage. The couple spent a week in Florida.

Mrs. Wright is a graduate of Murray High School, and Mr.

Wright is a graduate of Murray University School. Both have attended Murray State University. She is now employed at the Bank of Murray, and he at Jim Adam's IGA. Mr. Wright will be a Junior at Murray State University in the fall.

They are residing at their home at 1408 1/2 Poplar Street. Out of town guests were Mr. and Mrs. Emmett Wright, grandparents of the groom, Miss Linda Wright, and Jim Wright cousins of the groom, from Riley, Indiana.

Rehearsal Dinner

A rehearsal dinner was given the wedding party by Mr. and Mrs. David Wright, on Thursday evening, June 5, at the Triangle Restaurant. An arrangement of red and white carnations were placed in the center of the table.

The bride-elect wore an apricot double-knit dress designed with a round neck and short sleeves. The bridal couple presented gifts to their attendants.

Places were set for Miss Morris, Mr. Wright, Mr. and Mrs. Tommy Hoke, Mr. and Mrs. Marc Hays, Miss Phyllis Pool, Miss Ann Miller, Kenny Stubbfield, Brent Morris Jr., Randy Wright, Mr. and Mrs. Gerald Coles, Mr. and Mrs. Dean Crutchfield, Mr. and Mrs. Brent Morris, and the hosts, Mr. and Mrs. David Wright.

PERSONALS

Mr. and Mrs. James D. Francis and children, Lori and Lisa, of Louisville and Miss Vicki Susan Dortch of Paducah have been spending their vacation with their parents, Mr. and Mrs. J. E. Nesbitt, Hazel Highway.

Diuguid Home Is Scene Maryleona Frost Circle Meet

Mrs. James Diuguid opened her home on Sharpe Street for the meeting of the Maryleona Frost Circle of the Women's Society of Christian Service of the First United Methodist Church held on Tuesday, July 8, at nine-thirty o'clock in the morning.

The interesting program on "Customs and Culture of Greece" was presented by Mrs. Samuel R. Dodson, Jr. She had on display many art objects and crafts from Greece, where she lived for three years.

Mrs. Lillian Graves opened the meeting with a prayer from "Guideposts". The roll call was by Mrs. Diuguid with each responding with comments on special rural and youth services. The treasurer's report was given.

A letter from Miss Doris Rowland, new WSCS sunshine chairman, was read asking each circle to notify her of illnesses of members.

Mrs. Hugh Houston reported on the two dinners served by the circle. Mrs. J. W. Stuart, vice-chairman of the WSCS, announced new program plans and the school of missions to be held August 18-22.

The first parking meter in the United States was installed in 1935.

Business Briefs

Texas Broilers Set a Record

AUSTIN, Tex. (UPI) — Commercial broiler producers in Texas sold more than 168,300,000 (m) chicks during 1968, a state record, according to the Texas Crop and Livestock Reporting Service. The state ranked seventh in the United States in

the number of chicks placed.

Nepal Agreement With Red China

KATMANDU (UPI) — Nepal will import communist Chinese goods valued at \$2.6 million during 1969, according to an agreement signed between Nepal's state-owned National Trading Ltd., and the state corporation of communist China. Proceeds from sale of the Chinese goods will be used to finance Chinese-aided projects in Nepal.

Hawaiian Food Prices High

HONOLULU (UPI) — Food costs in Hawaii run from 15 to 20 per cent higher than those on the West Coast, according

to the U.S. Bureau of Labor Statistics.

Indian Exports At a Record

NEW DELHI (UPI) — India's exports during the past year hit a record level of \$1,804,600,000 (b). The figure was higher by 5.3 per cent than the earlier record of \$1,714,900,000 (b) recorded in 1964-65.

Tire Evolution

NEW YORK (UPI) — Cotton, last of the natural fibers to be used for reinforcing tires, has been replaced in recent years by a series of man-made fibers — and now it's happening again. Rayon supplanted cotton in the 1950s, and rayon in turn was challenged by nylon. Now, says Goodyear, polyester is threatening nylon's supremacy.

Japanese Problem

TOKYO (UPI) — The most important problem faced by Japan's economy is the fact that the nation's Gross National Product (GNP) is third highest in the world while per capita income is far down the list in 21st place, according to Shigeo Hori, former president and chairman of the Bank of Tokyo.

gap, but that's easier said than done," says Hori. "It may take from five to seven years."

BEST LAID PLAN...

WALTON-LE-DALE, England (UPI) — A women's institute spent weeks collecting trash for an exhibition to show how unkept the village was. They put the rubbish on display, but before the exhibition opened Friday the trash had been picked up by trashmen.

Orbit For Apollo 11 Down Pat

SPACE CENTER, HOUSTON
UPI - The men who designed the flight path Apollo 11's command ship "Columbia" will follow in moon orbit did a better job than they had to do.

During the first two moon orbit missions - Apollo 8 and Apollo 10 - the spacecraft started out circling the moon in a circular orbit 69 miles high.

By the time activities at the moon had been completed in those two flights, flight planners found, the moon's uneven gravity field had pulled the spaceship

slightly out of its circular orbit. James C. McPherson, head of the mathematics branch at the Manned Spacecraft Center, said recently Apollo 11 will be targeted into a 62-by-76-mile high orbit with the second firing of its main engine at the moon.

By aiming into this orbit with the high point and the low point at precisely the right places, he said, the command ship will have slipped into a 69-mile circular orbit under the influence of moon gravity by the time the "Eagle" landing craft takes off from the lunar surface to rejoin the command ship.

"It doesn't matter that much," he said, "We're just getting cocky and we're going to tune it up real fine on Apollo 11."

Five per cent of passenger cars sold in the United States in 1967 were convertibles.

PARKER FORD INC., MURRAY, KY.

THE MURRAY INSURANCE AGENCY

Observed The

GRAND OPENING

of its new offices in the Bel Air Shopping Center, So. 12th Street, Murray, June 30 and July 1. The new facilities feature a modern decor of golden chestnut paneling, gold tweed wall-to-wall carpeting, and corresponding draperies. The office is equipped with central heating and air-conditioning, recessed lighting, and four private offices. The outer office serves as a reception area and provides work space for the clerical staff. All offices are newly furnished.

Gifts were given to all who registered during the two-day period. A television set was won by Mrs. Nora Douglas, a rod and reel by Mrs. Jo Ann Humphreys, and a cooker-fryer by Mr. Bobby Taylor, all of Murray.

Many insurance company executives and field men, as well as friends and customers of the Agency, were on hand for the Opening. Bel Air Shopping Center 753-4751

MATCHLESS

in power is God. How generously He deals with His world. All of our physical necessities are miraculously supplied by Him. He planned it so all wild creatures could live in abundance. He pointed us human beings to faith in God and challenged us strongly by citing the birds, "Your Father feedeth them." Then pause by the clear stream, take in the fresh air, examine the fruits of His fields and "Be Still and know that He is God." Just who among us would doubt that He gave us the soil, the seed and the sea???

He gave His church for congregating and praising The Lord. It is here He quickens our spirits by the revelation of truth and goodness and feeds our deeper needs with His love and grace. He is the matchless beneficent.

STATE AND FEDERAL COOPERATION: Without the cooperation of many state and federal agencies, a Jamboree of this magnitude could not be staged. Governor Don Samuelson of Idaho has marshaled the resources of all of his agencies to assist us in site preparation and the many other tasks associated with staging this major event. The neighboring states of Washington and Montana also assisted materially. The Department of the Interior, the Department of Agriculture, the Department of Defense and many other federal agencies are providing support, and other services.

INDUSTRY COOPERATION: Support of business and industry has been outstanding. Airlines, railways, bus companies, manufacturers, food suppliers, oil companies and many others are supplying a variety of materials and services.

Apollo 11 Will Dominate Television In Next Week

By JACK GAYER

NEW YORK UPI - If there is no postponement, the television networks plan extensive coverage of the Apollo 11 project to place men on the moon which gets under way Wednesday.

Color telecast from the spacecraft are scheduled for Thursday, Friday and Saturday, and there will be interruptions of regular programming for progress reports at various times.

CBS starts a new variety series starring Liberace on Tuesday and telecasts finals of the Miss Universe beauty pageant Saturday.

Highlights for July 13-19:

SUNDAY

Robert H. Finch, secretary of health, education and welfare, is scheduled for a "Face the Nation" interview on CBS.

The three astronauts who commanded the Apollo 8, 9 and 10 flights will be interviewed on NBC's "Meet the Press."

ABC's "Issues and Answers" interviews George C. Wallace, former governor of Alabama and 1968 candidate for president.

ABC has a one-hour documentary, "Black Mood on Campus," dealing with the move for black studies programs in colleges.

NBC's Walt Disney hour has the first half of a two-part film, "Boomerang, Dog of Many Talents." A vagabond, his trained dog and a widow are involved.

The CBS "Hee Haw" hour has Jerry Lee Lewis and Ferlin Husky as guest stars.

"The ABC Sunday Night Movie" screens "Dr. Strangelove," starring Peter Sellers and George C. Scott.

MONDAY

NBC's "Rowan and Martin's Laugh-In" repeat is a showheadlined by Sammy Davis Jr., Ann Miller and Garry Moore.

The NBC movie is "Some Like It Hot," starring Marilyn Monroe, Tony Curtis and Jack Lemmon.

The CBS Jimmy Rodgers show presents singer Jane Powell and comedian George Carlin.

British film star Richard Attenborough is one of the guests on ABC's Dick Cavett program.

TUESDAY

NBC preempts "Star Trek"

for a one-hour special reviewing past space efforts and previewing Apollo 11.

The Liberace Show is a one-hour variety affair bowing on CBS, replacing Red Skelton for the summer. The pianist - host has Jack Benny as guest.

In "It Takes A Thief" on ABC Munday hires an oldtime safecracker who causes trouble by stealing from a crime syndicate boss.

NBC's Tuesday night movie will be "Beau Geste," starring Telly Savalas and Guy Stockwell. CBS News has a special night report dealing with Apollo 11.

WEDNESDAY

The three networks will cover the blastoff of Apollo 11, scheduled at 9:32 a.m. EDT, followed by subsequent progress reports at various times.

The "Tarzan" repeat for CBS is an episode in which young Jai faces death after being scratched by a diseased jaguar.

"Kraft Music Hall from London" on NBC is headlined by Carol Lawrence, Kaye Ballard and Norman Wisdom.

The ABC movie is "Come Blow Your Horn," starring Frank Sinatra.

THURSDAY

The networks expect to carry live television from Apollo 11 at 7:30 p.m. EDT for approximately half an hour.

"The Prisoner" repeat on CBS has the prisoner on trial for an escape attempt.

The CBS Thursday night movie will be "East of Eden," starring Anthony Quayle and Sylvia Syme.

"This is Tom Jones," on ABC repeats a show headlined by Joanne Worley, Judy Carne, Mili-cent Martin and Anita Harris.

NBC offers the premiere of "Dean Martin presents the Gold-diggers," the summer replacement series for Martin's program. Gail Martin, Paul Lynde and Lou Rawls are the top entertainers.

FRIDAY

Live transmission from Apollo 11 is scheduled between 7:30 and 8 p.m. EDT.

The John Davidson show on ABC has singer Paul Anka as special guest.

In "The Name of the Game" on NBC publisher Howard is kidnapped by a group of protesters against chemical warfare.

PANTS ON

SPACE CENTER, Houston UPI - One of the first tasks facing Apollo 11 astronaut Neil A. Armstrong when he reaches the surface of the moon on foot will be to collect what the space agency calls a "contingency sample."

The sample assures that some lunar dirt and rock fragments will come back to earth in a pocket on the left leg of Armstrong's space suit.

Dr. Don L. Lind, a scientist-astronaut, says the assumption is that no matter what happens, "he'll always come home with his pants on."

TINY TV

SPACE CENTER, Houston UPI - The tiny television camera Apollo 11 carries to the moon's surface is small and light but it was designed for men with spacesuits on to handle.

The camera weighs 7.25 pounds and draws 6.5 watts of 24-32 volts direct current power. Its scan rate is 10 frames per second at 320 lines per frame.

The camera body is 10.6 inches long, 6.5 inches wide and 3.4 inches deep. The lens mount permits a crewman in a pressure suit to switch between the two different lenses carried.

More than 105,000 acres of asparagus are planted each year in the United States.

The CBS movie is "UMC," starring Kim Stanley, Edward G. Robinson and Maurice Evans. The committee entertainment group is featured on Dick Cavett's ABC hour.

SATURDAY

CBS has scheduled coverage of the U. S. A. - Russia - British Commonwealth track and field meet in Los Angeles.

The networks expected to have a third telecast from Apollo 11 from approximately 4 to 4:30 p.m. EDT.

The Jackie Gleason hour on CBS repeats a variety program with Sid Caesar, Myron Cohen, George Jessel and Timmie Rogers as guests.

The NBC movie screens "Saragatoga Trunk," starring Ingrid Bergman and Gary Cooper.

The Johnny Cash show on ABC features Ed Ames, the Monkees, Joni Mitchell and Roy Clark.

Finals of the Miss Universe beauty pageant in Miami Beach are on CBS.

THE MOBILE QUARANTINE FACILITY for the Apollo 11 astronauts is loaded onto the aircraft carrier Hornet, the prime recovery ship, at Honolulu. On return from the Moon, they will be quarantined in it until examined for contaminants.

NOW YOU KNOW

If the 50 United States were on a rigid plane floating freely in space, the weight of its people would balance the country at a point 6 1/2 miles northwest of Centerville, Ill. according to census figures. Since 1790, the center of population gravity has moved west from a point 23 miles east of Baltimore, Md.

The Dutch granted independence to Indonesia in 1949.

IN SIGHT

SPACE CENTER, Houston UPI - While Apollo astronauts Neil A. Armstrong and Edwin E. Aldrin are preparing for the all important rocket firing to lift their moon landing craft from the moon's surface, their ultimate destination will be in sight.

A space agency official says if they look straight up through the docking rendezvous window in the top of the lander they will be able to see the earth during the first part of the rocket blast.

Approval On

structed near the present ones. He also said that if the new units are approved for the Commission, added funds would be forthcoming for enlargement of the Community Center located on Ellis Drive.

Ten percent of the income from the housing goes to the local school system. The schools received \$4,000 this year he said, and before the housing was constructed the schools received \$68 in taxes.

The council approved the request of the Commission to apply for the fifty additional units. The Housing Commission is composed of W. G. Nash, Chairman; E. W. Kiley, Vice-Chairman; L. W. Paschall, Buford Hurt and Mayor Holmes Ellis.

The other public hearing was on the rezoning of the Westview Nursing Home lot from R-2 to R-4. Under R-2 regulations the nursing home could not expand its facilities. The home plans on expanding to provide 88 additional beds, fifty more in front of the present structure and thirty eight at the rear of the present building.

The council approved the recommendation of the Planning Commission to rezone the area. Harold Beaman, general manager of the Nursing Home was present and explained the desire of the firm for the rezoning. No one was present to speak in opposition to the move.

The quarterly report of City Judge Jake Dunn indicated the following was received by his office: miscellaneous fines \$7, 028.29, costs \$1,080.00, meter violations, \$1,258.00 for a total of \$9,352.29 for the quarter.

A feasibility study will be made with the Murray Electric System on a combined billing system. The move has been studied for some time by the city and will result in a person getting one bill for all of his utilities. The utilities will be itemized separately on the same bill.

Some type of computer type machine has also been studied by the council and the consensus is that possibly a high level accounting machine with a memory bank might be the first step toward moving toward the use of a computer for the city.

Such a machine is within the financial capabilities of the city and savings are expected to be effected through combined billing.

ing. A committee in the council will work with the Electric System committee toward this end. The Council Committee is composed of Richard Tuck, Leonard Vaughn, Haron West, and Mayor Ellis.

Councilman Leonard Vaughn reported to the council that the new Bee Creek Sewer line is moving along rapidly. He reported that funds will probably be needed before the bonds are sold and asked for permission for the Murray Water and Sewer System to borrow up to \$100,000 as needed, to meet obligations of constructing the new line. This approval was given.

No parking for the length of Twelfth Street was discussed last night and a recommendation will be made at the next meeting by Mayor Ellis and the Street Committee.

The Murray Natural Gas Committee was given permission to take bids on a carload of one inch gas pipe.

Benton Man Buys Mayfield Shopping Plaza

MAYFIELD, Ky., July 10 — It was announced here today that Hal Perry, a Benton contractor, has bought the Mayfield Shopping Plaza from Barton's Incorporated.

The sale price was not announced, but the estimated value of the property is about \$2 million.

Perry has held an option for the purchase of the plaza since March. He stated that no financial problems were involved in the transaction.

Perry assumed all assets, debts and liabilities of the plaza which opened in August, 1966.

Marshall Appeal Is Rejected

BENTON, Ky., July 10—An appeal to the three-district reapportionment plan for Marshall County has been turned down in Marshall County Circuit Court.

In handing down the judgment, Circuit Judge James Lassiter ruled that substantial compliance had been met in following the laws regarding reapportionment.

One of the major arguments made by a seven-member citizens committee was that sufficient notice had not been given prior to the reapportionment of the county from five to three districts.

However, Judge Lassiter noted the group made no contention that any interested citizens did not have actual notice of the proceedings and each member of the citizens groups had ample notice since they employed legal counsel to fight the action.

The appeal to the three-district plan was filed in Circuit Court in March. Heading the fight against the plan was Earnie Collins, Briensburg, who was a magisterial candidate in the May primary.

Had the three-district plan been overruled by Judge Lassiter, it would have meant that the boundaries would have had to be redrawn and another election held since the May primary was conducted on the premise of the three-district plan.

The ruling by Judge Lassiter followed one by County Judge Pal Howard, who ruled the three-district plan valid following a day-long hearing.

As a result of the ruling by Judge Lassiter, the new districts are:

—District 1, including Hardin, Ross, Olive, Brewster, South Marshall and South Benton precincts with 3,877 voters.

—District 2, including West Benton, North Benton, West Marshall, Draffenville, and Briensburg precincts with 3,899 voters.

—District 3, including Sharpe, Palma, Gilbertsville, Little Cypress and Calvert City No. 1 and No. 2 with 3,890 voters.

The difference between the high and low number of registered voters is 118 or a deviation of about one per cent. By law, a 10 per cent margin of deviation is permitted.

Prior to the reapportionment, the number of registered voters per district ranged from a high of 3,753 to a low of 1,151 persons.

his judgment on how long to board the animal before destroying it, if it is not picked up.

The drawing of such an ordinance has become necessary because of the large number of dogs roaming the city, apparently under the control of no one.

The ordinance apparently will not be voted on at the next meeting, however a sample ordinance will be presented for discussion.

were horses instead of dogs, then something would be done right away. However loose dogs in general cause a lot of damage. In addition to inconveniencing folks just out walking, they form a constant hazard to the bicyclist, and motorcyclist, and brother they really can foul up shrubs.

A person's own dogs do enough damage around the yard, but we can put up with this if we insist on owning a dog, but when dogdom in general visits your yard, this is too much.

Slight error in the editorial column today. The bridge in question does have three spans, but the center span is an 18 foot span, not a twenty foot span.

Folks who want their street paved for the first time, should get their money up and in to the City Clerk. If you want the particulars on the procedure

call him. Only one street thus far has the money in. Residents on each side of the street pay a third each and the city pays a third plus the intersections.
